

Laser Accessories

An Amazing Array.

ACCESSORIES

Air-Conditioning. A must for summer motoring. Ford Selectaire fully integrated air-conditioning undergoes extensive testing to ensure excellent performance under a wide range of operating and weather conditions.

Sheepskin Seat Covers.

Driver comfort helps maintain concentration and sheepskin is cooler in summer and warmer in winter. Also available for the front passenger seat in a range of matching interior colours.

Bassinet Restraint. A safety net which restrains the bassinet and keeps baby safe. It will also fit carry cots and pramettes.

Rear Louvre. Practical and attractive. Rear seat passenger comfort is enhanced by deflecting the sun's rays.

High Level Brake Lamps. Many accidents are rear impact and these help alert following drivers that you are braking. They attach to the rear window and connect into existing brake wiring.

Sunvisor. Strong, and functional. It reduces glare from the Australian sun and helps protect the eyes.

Weathershield. Allows you to drive comfortably with the window down. Protects against wind and rain.

The new Ford Laser has the subtle aerodynamic styling that sets it apart from other compact hatchbacks. Its standard features will amaze you and there is a range of quality Ford Accessories to further enhance your Laser. Fit them for safety, comfort or a distinctly individual appearance.

LASER

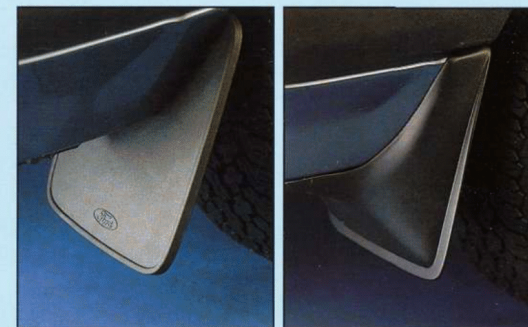

Air-Conditioning. A must for summer motoring. Ford Selectaire fully integrated air-conditioning undergoes extensive testing to ensure excellent performance under a wide range of operating and weather conditions.

Sheepskin Seat Covers.

Driver comfort helps maintain concentration and sheepskin is cooler in summer and warmer in winter. Also available for the front passenger seat in a range of matching interior colours.

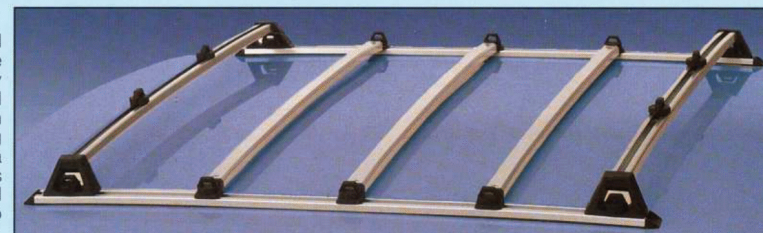

Headlamp Guards. 'Snap-on' covers which protect the headlamp and turn indicator assembly from flying breakage.

Rear Mud Flaps and Mud Spatts. A must for protecting the body work and keeping the car looking new. They deflect water, stones, mud and tar spatters.

Roof Rack. Styled to complement the vehicle. Sturdy stainless steel construction ensures carrying up to 50 kg of extra gear. Cross bars can be removed when not in use to reduce wind noise.

The new Ford Laser has the subtle aerodynamic styling that sets it apart from other compact hatchbacks. Its standard features will amaze you and there is a range of quality Ford Accessories to further enhance your Laser. Fit them for safety, comfort or a distinctly individual appearance.

Sheepskin Seat Covers. Driver comfort helps maintain concentration and sheepskin is cooler in summer and warmer in winter. Also available for the front passenger seat in a range of matching interior colours.

Headlamp Guards. 'Snap-on' covers which protect the headlamp and turn indicator assembly from flying breakage.

Rear Mud Flaps and Mud Spats. A must for protecting the body work and keeping the car looking new. They deflect water, stones, mud and tar spatters.

Roof Rack. Styled to complement the vehicle. Sturdy stainless steel construction ensures carrying up to 50kg of extra gear. Cross bars can be removed when not in use to reduce wind noise.

Venetian Shade. Shades rear seat passengers from the sun's rays without hindering the driver's rear vision or altering your Laser's exterior lines.

Cruise Control. Permits a constant selected speed on long trips and reduces driver fatigue. Automatically disengages when brake system activated. Helps fuel economy and adherence to speed limit.

Child Safety Seat. Essential for safe carriage of children. The one piece moulding provides strength and the soft foam padding provides comfort for the toddler. Adjustable for children from 6 months to 4 years and most importantly, it meets Australian Standard 1754.

1 Carpet Mats. A range of colours for front and rear to keep your carpet like new and increase your resale value.

2 Stowage Box. Fits adjacent to the spare wheel and is ideal for keeping those extra tools or just odds and ends.

3 Roof-Mounted Map Lamp. The spotlight, with dimmer control feature swivels to suit driver or passenger.

4 Car Care Products. Keep your new car looking new inside, outside and under the bonnet with this quality range of Motorcraft car care products.

5 Car Alarm. Incorporates automatic arming feature to protect against car thefts. This sophisticated system can operate on unauthorised opening of bonnet, boot or any door and if activated operates the hazard flashers and a loud siren.

6 Motorist Safety Kit. A handy item for emergencies. Contains safety triangles and a PVC reflective vest for use on dark roads. There is also a range of dressings, scissors and a thermal blanket.

7 Number Plate Frames. An added touch of elegance. Protect the number plate from stones and road grime.

8 Trailer Wiring Kit. Quality brake lamp and turn indicator connectors for trailers and caravans. Wiring adaptors and universal wiring harnesses are also available.

9 Wheel Covers. A range to add that touch of individuality and glamour to your car.

10 Trailerbar. Specifically designed for Laser and fully tested and approved by Ford for a 500 kg cross trailer mass.

11 Insect Screen. Strong and easily removed for cleaning. Protects radiator core from insects which helps prevent the engine from running hot. Suitable only for vehicles without air-conditioning.

12 Front Spoiler. Adds a sporty look by improving the front appearance of the vehicle.

13 Rear Spoiler. It adds a distinctive look but is also beneficial by improving aerodynamics and increasing stability in cross winds.

14 Rear Applique. A classy black acrylic 'stick-on' applique positioned on the rear decklid between the tail lights. Displaying 'Laser'.

Please Note: About this brochure. This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheets. Because of changes in conditions and circumstances Ford reserves the right, subject to all applicable laws, at any time, at their discretion, and without notice to discontinue or change the features, designs, materials, colour and other specifications and the prices of their products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchaser.

The latest specification sheet should be referred to for information on the availability, ordering

and use of optional equipment. Always consult an Authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
